Task 1: Mortgage repayment calculator (completed)

Task 2: GitHub page for daily work.(partially completed)

In task 1, I've completed the Mortgage repayment calculator coding challenge

You can see my solution here:

<https://www.frontendmentor.io/solutions/mortgage-repayment-calculator-Vjzc7mbiQP>

source code: <https://github.com/Pawandadra/mortgage-repayment-calculator>

Live site: <https://pawandadra.github.io/mortgage-repayment-calculator/>

In task 2: I've added custom calendar with files linked to related dated to daily-diary GitHub page.

Here is a link to GitHub repo: <https://github.com/Pawandadra/Daily-Diary>
