Task 1: Continuation of JavaScript tutorials. (completed)

Task 2: Practice Learned things. (completed)

In task 1 I covered tutorials on Walking the DOM, accessing children of an element, Parent and Sibling of an element, Element only Navigation, Table Navigation, Searching the DOM, matches, closest and contains, innerHTML and outerHTML and other properties.

In Task 2 I practiced learned things by solving practice sets.

Here is link to practice sets: [https://github.com/Pawandadra/JS\\_PracticeSet](https://github.com/Pawandadra/JS_PracticeSet)

And made a web App which tells random jokes. also, it's responsive to all screens.
