Task 1: Contact form coding challenge (completed)

Task 2: Deploy contact form (completed)

In task 1, I've completed a contact-form coding challenge.

You can see my solution here:
https://www.frontendmentor.io/solutions/contact-form-mhtQktDaGs

Here is link to GitHub repo: https://github.com/Pawandadra/contact_form

In task 2 I've deployed contact form.

Here is a link to live site: https://pawandadra.github.io/contact_form/
