Date – 12-06-2024

Today was my first working day of training.

Task 1: JavaScript Tutorials (completed)

Task 2: Practice Learned Things by Programming (completed)

In Task 1 I've completed tutorials on introduction to JavaScript, Variables in JavaScript, difference in const, let and var, Primitives and Objects in JavaScript, JavaScript Operators and Expressions, Conditional expressions in JavaScript, Loops in JavaScript, Functions in JavaScript, Introduction to Strings in JavaScript, JavaScript String methods.

In Task 2 I've completed Practice Sets by doing programming in JavaScript. Here is the link to Repls for your reference:

Practice Set 1: https://replit.com/@pawankumarpk361/PracticeSet1JS?v=1

Practice Set 2: https://replit.com/@pawankumarpk361/PracticeSet2JS?v=1

Practice Set 3: https://replit.com/@pawankumarpk361/PracticeSet3JS?v=1

Practice Set 4: https://replit.com/@pawankumarpk361/PracticeSet4JS?v=1
